We would like to thank you once again for choosing the GrooveTown Band as the entertainment for your event. If you could please fill out this form letting us know how you felt about the bands overall performance we would greatly appreciate it ...

Was the band on time and professional?

The band was on time, in fact, I believe the band was early because my reception began prior to the start time listed on the invitation. The band was very professional

Was the band accommodating to any needs and requests:

Very accommodating! We had a military wedding with a sword arch and they were very conscientious of the formalities and introductions.

Did GrooveTown play a song selection that you where pleased with:

THE SONGS ROCKED! Everyone was dancing all night and at the end of the night, I was begging my husband to throw money at them to keep playing. That didn't happen, but, I wish that it did! =)

Please rate the overall performance on a 1-10 scale 10 being perfect: 10. I can't imagine having GTB change anything they did the night of our wedding. People are still raving about their performance 2 months later!

Would you mind being a reference for the GrooveTown Band? If yes could you provide an email address for future clients of the band to contact you?

Comments:

The band rocked. I am SO glad that we picked them to play at our wedding. We got married in Wilmington, NC. We had searched high and low for a good band, and really couldn't find one in the area. We drove to Raleigh to see them play in a bar and we hired them the next day. My husband and I wanted a band that would play music to accommodate anyone, young or old. Everyone danced at our wedding the entire night. I had to be reminded to cut my cake three times because I couldn't stop dancing. They are well worth it. If I had to get a band for another event I would immediately call them up. Guests of our wedding have even booked them for an event next year! Highly recommended.
