Was the band on time and professional: Extremely, we had a power outage and they handled it fabulously.

Was the band accommodating to any needs and requests: Yes, I requested college fight songs for the introduction at our wedding and GrooveTown did a great job!

Did GrooveTown play a song selection that you where pleased with: Definitely, we chose a list from their selection and they pretty much stuck to it and based on crowd participation – took it up a level when needed. Could not have been happier.

Please rate the overall performance on a 1-10 scale 10 being perfect: 10

Comments: GrooveTown was the perfect band for our seaside wedding reception, playing all the best dance songs (and we have serious dancing friends) as well as a great array of beach music and classics. We could not have been happier with their professionalism, energy and quality of music!
