Amazing on Kanye West's Gold Digger; Cameo's Word Up...good at everything they tried.

Cannot say enough positive things about the band...they were excellent; kept the excitement going, listened to the audience, bonded with the folks on the dance floor and made everybody smile. They were THE PERFECT party band...beating out (in our club's estimation) The Maxx, Sleeping Booty, etc. Just a great mix. Men, women, dancers, non-dancers all loved them. People who hadn't danced in years were on the floor. Unbelievable. They made our party.
